Aqua Fair 2003 will feature the premiere performance of “Watershed Harmony,” a puppet theater for students.

Join us in Hattiesburg for a day filled with fun and learning!

Students make an "Incredible Journey" through the water cycle.

Aqua Fair is funded in part through a grant from the United States Environmental Protection Agency to the Mississippi Department of Environmental Quality, Water Quality Management Branch, under the provisions of Section 319 (h) of the Clean Water Act.
**What:** Aqua Fair is an active hands-on water festival that uses art, drama, music, model-building, outdoor field studies, and physical activities to enhance the learning experience!

**Where:** Hattiesburg, Mississippi

**When:** October 29-30, 2003

**Who:** Fifth graders

**Why:** To inspire students to become better stewards of the land and water!

---

**Students learn about**

- Polluted runoff causes
- Land use
- Water quality
- Other water-related topics

---

Aqua Fair 2003, the ninth regional Mississippi event, results from the partnership efforts of 30 agencies, organizations, and corporate sponsors. This list of sponsors is posted on the NRCS website, ms.nrcs.usda.gov.

Over 14,000 students statewide have attended Aqua Fair.
