Hattiesburg Water-Well Survey – Hercules Incorporated
Hattiesburg Facility
Hattiesburg, Forrest County, Mississippi

Your Property:
«Parcel_ID»; «Property_Address»

Dear Property Owner or Occupant:

ARCADIS U.S., Inc. (ARCADIS) is conducting an investigation on behalf of Hercules Incorporated (Hercules) and with the support of the Mobile Bouie Neighborhood Association, the North Main Historic Neighborhood Association and the City of Hattiesburg. The U. S. Environmental Protection Agency requested Hercules to find all wells within a half-mile radius of the Hercules facility, whether currently in use or not. This includes wells used for drinking water, irrigation, industrial supply, heat pumps or some other use.

ARCADIS is sending this letter to you because we believe your property is located within the half-mile radius of the former Hercules plant. To enable us to complete an accurate list, please respond to the questions and return the postcard within 10 days. By returning this survey with as much detail as you can provide, you are helping an important project to benefit your community. If you have any questions regarding this survey, please contact me by telephone at 1/800-XXX-XXXX.

Sincerely,

ARCADIS U.S., Inc.
