

STATE OF MISSISSIPPI  
PHIL BRYANT  
GOVERNOR

MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY  
GARY C. RIKARD, EXECUTIVE DIRECTOR

**Available Solid Waste Management Facilities in  
Tropical Storm Impacted Counties  
(George, Hancock, Harrison, Jackson, Pearl River, and Stone Counties)  
October 7, 2017**

This information has been prepared by MDEQ to assist in responding to the damage needs from recent tornado events in south Mississippi. There are several existing solid waste management facilities in these areas that should be available for disposal of debris subject to the operating conditions of the facility, the type of debris to be disposed, and the approval of the site operator. Additionally, MDEQ encourages interested persons to contact local officials to find out if other local waste collection points, such as transfer stations, are available for use by the public.

The solid waste facilities identified on the attached listings can accept certain approved solid waste materials as follows:

Municipal Solid Waste (MSW) Landfills: The MSW landfill sites are approved to accept all household garbage, mixed building debris, vegetative debris, commercial wastes, office wastes, packaging wastes and any other nonhazardous solid waste.

Class I Rubbish Sites: Class I rubbish sites are approved to accept all rubbish wastes and building and structural debris such as brick, wood, metal, concrete, roofing, siding, furniture, carpet and other types of building debris. The sites can also accept all class II rubbish such as vegetative wastes and inert debris. The sites cannot accept household garbage, household chemicals, containers, or certain industrial wastes for disposal.

Class II Rubbish Sites: Class II rubbish sites are approved to accept vegetative wastes and inert debris such as concrete and brick that can be separated from other building debris. The sites cannot accept mixed building debris, household garbage or household chemicals.

For contacts and information on other solid waste management facilities in counties not listed in the attached information, visit our website at: <http://www.deq.state.ms.us/solidwaste> or contact the MDEQ Waste Division at 601-961-5171.

MDEQ may also be working with the local government to evaluate and approve temporary storm debris management sites in affected counties that are not included on the attached listing of permanent permitted solid waste facilities. Additional information on these sites will be provided as it is made available.

# Solid Waste Disposal Sites in the Impact Area

Below are the solid waste disposal facilities known or believed to be open and accepting storm generated wastes in Forrest, Lamar, and Perry Counties. Additional and temporary sites may be added as necessary.

## Municipal Solid Waste Landfills

Central Landfill  
Mr. Sam Williams  
8800 Highway 11 North  
McNeil, MS 39457  
Pearl River County  
Phone: (228) 380-1081  
[30° 42' 26.90" N, 89° 36' 08.90" W](#)

Pecan Grove Landfill  
Mr. Sam Williams  
9685 Firetower Road  
Pass Christian, MS 39571  
Harrison County  
Phone: (228) 255-5553  
[30° 25' 37.02" N, 89° 16' 00.08" W](#)

Macland Disposal Center Inc.  
Mr. William Cooksey  
11300 Highway 63 North  
Moss Point, MS 39563  
Jackson County  
Phone: (228) 475-9747  
[30° 30' 24.09" N, 88° 32' 09.00" W](#)

## Class I Rubbish Sites

Applewhite Recycling Systems Rubbish Site  
Mr. Roger Applewhite  
4207 Beasley Road  
Gautier, MS 39553  
Jackson County  
Phone: (228) 497-5393  
[30° 24' 36.04" N, 88° 39' 58.07" W](#)

John Ward Sand and Clay Mining Rubbish Site  
Ms. S. Lynn Ward  
8400 Jim Ramsey Road  
Vanceleave, MS 39565  
Jackson County
